

Meet Our Team

The People Behind Loddington CE Primary School

At Loddington CE Primary School, we are proud of our dedicated team who work together to help every child flourish. Together, our staff team is committed to helping every child academically, socially and emotionally. We are proud of the warm, family atmosphere that makes **Loddington CE Primary School** such a special place to learn and grow.

Our School Family

Mrs Wilcoxson

Higher Level Teaching Assistant (HLTA)

As a HLTA, I am fortunate to work across all classes in school, supporting learning in a variety of subjects, including teaching mathematics in Year 5. I am particularly excited to be involved in our Forest School and outdoor learning opportunities.

In my spare time, I enjoy walking my dog, baking and gardening.

Mrs Conaghan

Year 5 and 6 Teacher & SENCo

I love teaching our Year 5 and 6 pupils and supporting them as they prepare for the next stage of their education. As SENCo, I also work closely with children and families across the whole school to help every child achieve their very best.

Outside school, I enjoy spending time outdoors with my family and exploring new places together.

Mrs Foley

Teaching Assistant - Year 3

I love supporting children's learning, particularly those who benefit from a little extra encouragement. Seeing confidence grow and celebrating achievements is incredibly rewarding.

Outside school, I enjoy baking, keeping active and spending time with my family.

Mrs Kiely

Lunchtime Supervisor

I enjoy supporting our children during lunchtime and helping to make playtimes happy and positive.

Outside school, I enjoy countryside walks and spending time with family and friends.

Community & Church Links

Reverend Andy Giles

School Chaplain and Vicar of St Leonard's Church

Before becoming a vicar, I spent 20 years teaching outdoor education, mainly in Scotland and the Lake District. I enjoy everything outdoors, from climbing mountains to canoeing rivers.

I lead worship in school and at St Leonard's Church, helping to strengthen the close links between our church and school community.

Miss Goodwin

Reception and Year 1 Teacher

I have been teaching for over 20 years and love supporting children in their learning journey. Outside school, I enjoy spending time with my husband and two dogs, gardening and keeping active at the gym.

Mrs Thompson

Teaching Assistant

I work primarily in Reception and Year 1, while also supporting children in Years 2, 3 and 4. I enjoy the opportunity to work with children across the school.

Outside work, I love reading, baking and spending time with my family.

School Office & Support Staff

Mrs Sail

School Office Administrator

Having worked at Loddington for over 17 years in a variety of roles, I love the fact that every day brings something different. School life is busy, challenging and rewarding, and a good sense of humour always helps!

Outside school, I enjoy cooking, spending time with my family and being a member of Loddington Trefoil Guild.

Mrs Evans

Year 3 and 4 Teacher

I teach our Year 3 and 4 class and lead Science, History and Geography across the school. Outside of school, I enjoy visiting theme parks with my children, swimming and gardening.

Mrs Dowsett - Headteacher

With a career in education spanning 29 years, my passion for teaching remains as strong as ever. I have taught across every year group from Reception to Year 6 in both large and small schools. Loddington is incredibly special to me, and many weekends are spent caring for our wonderful 163-year-old school building.

When I am not at school, I love walking in the countryside, cooking and spending time with my family.

Mrs Poyner

Teaching Assistant & Wellbeing Advocate

I am mainly based in Year 5 and 6 but enjoy working with children throughout the school. Supporting children to reach their full potential is one of the most rewarding aspects of my role.

I enjoy reading and spending time outdoors with my family and dog, whatever the weather.

Mrs Nash

Teaching Assistant - Year 2

I love helping children learn and seeing the progress they make every day. Sharing in their achievements and excitement is one of the best parts of my role.

Outside school, I enjoy gardening, reading, watching live music and spending time with my family.

Miss Kiely

Sports Lead & Teaching Assistant

As Sports Lead, I enjoy inspiring children to be active, have fun and develop a lifelong love of sport. I teach PE across all year groups and organise a range of sporting events and competitions.

Outside school, I coach football, enjoy running and love a good countryside walk.

Mrs Street

Teaching Assistant - Reception and Year 1

I have over 15 years of experience working with young children in a range of Early Years settings. At home, my family, our Border Collie and our two rabbits keep me very busy.

I also enjoy Pilates as a chance to stay active and relax.
